### Certificate of Quality

We, SHINKONG SYNTHETIC FIBERS CORPORATION, hereby certify that our PET resin SHINPET 5015W, does not contain Bisphenol A (BPA). Our PET resin are produced according to commonly used commercial practice with addition of small amounts of modifiers and catalysts, and none of these raw materials or additives contain Bisphenol A (BPA). Therefore, we assert that our SHINPET 5015W resin do not contain Bisphenol A (BPA).

Best regards,

T.S. Wang
