## There goes another year ...

... And hasn't it gone fast?

With Christmas almost upon us, we here at LinkPlas would like to thank all of our fantastic customers and suppliers for another great year of business, we wish you all a fabulous Christmas and an even better New Year. Here's to another excellent year in 2011.

LinkPlas have been very busy the past few months with a number of new projects, the Young Enterprise Scheme (YES), the NZ Plastics Awards and we are now producing a funky retro Jar. Happy reading...

## YES, WE DID IT AGAIN!

Having had a rewarding experience last year, LinkPlas once again joined the North Shore Young Enterprise Scheme as sponsors and mentors. Managing Director, Steve Morrison, had the privilege of again being on the judging panel, "Not an easy task," says Morrison, "there were so many talented teams with amazing business ideas, it was hard to decide, but Excel Corporations and their 'Make a Million' board game for children was very clever and creative."

## RETRO JAR

Well you have been asking us for a 'Jar' for some time, so here's what we have for you. A funky retro style 200ml PET jar and custom designed LinkPlas cap. We can deliver the cap wadded or unwadded.

Originally a custom design for Trelivings Cosmetics, LinkPlas recently acquired the rights to this jar. It's great for cosmetic and body care products or it would give similarly packaged food products a point of difference on the supermarket shelves.

The LinkPlas jar and cap are available in our standard colour range or we can custom colour match.

For more information on this or any other products please call Deryn on 09 921 1661 or browse our brand new website [www.linkplas.com](http://www.linkplas.com)

## LINKPLAS & SISTEMA "WAVE, TWIST & POP" HITS THE TOP

LinkPlas are excited to announce that our most recent packaging collaboration with Sistema, the "Wave Bottle" and "Twist n Pop" top have become award winners at the NZ Plastics Design Awards.

Taking out Silver and the top award in the Blow Moulding Category and Bronze in the Consumer Products Category, LinkPlas and Sistema are very proud of this achievement.

This is the second time LinkPlas have entered the prestigious NZ Plastics Awards and the very first time for Sistema.
